RE: Docket No. OOD-1598

Dear FDA: I am extremely concerned about your proposed guidelines for the voluntary **labelling** of genetically engineered (GE) foods. Opinion polls state clearly that the majority of Americans want **MANDATORY LABELLING**. The FDA should be taking a more precautionary approach to this new technology, as are the governments of the European Union, New Zealand, and Japan.

There has been **AMPLE EVIDENCE SUBMITTED TO THE FDA REVEALING THAT GENETICALLY ENGINEERED FOODS ARE NOT "SUBSTANTIALLY EQUIVALENT" TO NON-GENETICALLY ENGINEERED FOODS, THAT THERE ARE NUMEROUS HEALTH AND ENVIRONMENTAL RISKS.** Species boundaries are crossed and **NEW, POTENTIALLY-TOXIC PROTEINS ARE CREATED.**

WE ARE EATING EXPERIMENTAL FOOD NEVER BEFORE CONSUMED IN THE HISTORY OF MANKIND –

AND YOUR AGENCY IS FAILING TO PROTECT US!!!!!!

YOU DO NOT EVEN REQUIRE THE BASIC TESTING GIVEN TO FOOD ADDITIVES. WE WANT SAFETY TESTING OF G-E FOODS DONE BY IMPARTIAL SCIENTISTS, NOT THOSE WITHIN THE COMPANIES WHO PRODUCE THEM, BEFORE THEY ARE BROUGHT TO MARKET..

FDA'S VOLUNTARY GUIDELINES ARE UNACCEPTABLE, since we all know The industry will NOT choose to label this food.. LABELS MUST BE REQUIRED SO WE CAN HAVE A CHOICE IN WHAT WE EAT.!
LABELLING WILL ALSO SERVE TO PROTECT US from potential health effects which COULD BE TRACED ONLY IF GE FOODS ARE IDENTIFIED.

Recently, both the **E.U./U.S. Biotechnology consultative Forum** and the **Consumer Federation of America** Recommended **MANDATORY LABELLING OF GENETICALLY ENGINEERED FOODS.**
THE FDA SHOULD HEED THIS AND STOP WORKING ON BEHALF OF THE MANUFACTURERS OF GENETICALLY ENGINEERED FOODS.

Instead, PLEASE WORK FOR THE AMERICAN PUBLIC, YOUR ACTUAL CONSTITUENCY. WE WANT GENETICALLY ENGINEERED FOODS TO BE TESTED AND LABELLED! ! !

Sincerely,

OOD-1598
